CASE AFTER CASE

Plenty More Like This in Hillsboro.

Scores of Hillsboro people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public state-ment of his experience. Here is a case of it. What better proof of merit can be had than such endorsement?

D. C. Blackmore, 327 John St., Hillsboro, Ohio, says: "Some years ago I was suffering greatly from kidney trouble and rheumatism. I could the latter's father, Wm. Countryman. and Mrs. Greenfield, of Bianchester, ment in the Byington cemetery, scarcely get up or down on account of the intense pain across the small of my back. One day the kidney secreguests of the former's sister, Mrs. Artie tions would be profuse and then again Eubanks, Thursday. scanty. Aithough I doctored with some of the local physicians, I got no relief. I had often read about Doan's Kidney Pills and finally got a supply at Garrett & Ayres' Drug Store They helped me so much that I continued taking them for over a year. Now I have no trouble."

RE-ENDORSEMENT.

When Mr. Blackmore was interviewed on August 8, 1913, he said : "It has been three years since I was cured by Doan's Kidney Pills. They are certainly a wonderful kidney remedy and I never hesitate to recommend them to my friends. My former endorsement holds good."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
